

PRESS RELEASE

CFE sells the project "Dôme"

Due to a favourable commercialisation, CFE has in association with Vinci Immobilier realized to an investor the Dôme project, situated at Luxemburg centre.

The real estate complex the Dôme is situated between the railway station and the centre and consists of three buildings totalling 22,000 m² whereof 13,000 m² has been rented.

The construction is executed by CLE; the CFE's Luxembourg's subsidiary and is currently under construction. The last building should be completed at the end of February 2007.

Through this operation CFE strengthens its 2006 profit outlook as announced during its board of directors meeting of September 13th, 2006.

CFE is a group of companies dealing with construction and associated services, quoted on Euronext in Brussels and of which VINCI holds 46,8 % of the capital. CFE is at the forefront of the construction trade in Belgium and is also very active in the Netherlands, Luxembourg and in Central Europe. CFE is a shareholder in DEME, one of the primary entrepreneurs in the field of dredging globally.
