CFE

Increase of the share in Druart

With the purchase of 50% of the shares of the Druart-family, CFE increases her participation into the company Druart from 25% to 62.5%. This acquisition was realized for 4.3 million euro.

Druart is a company specialized in heating, ventilation, air conditioning and cooling and is principally active in Wallonia and in Brussels. The 2007 turnover approximates 20.4 million euro whereby the operational result equals more than 6% of the mentioned turnover.

Through this stake and with the whole support of the management, who will continue to manage Druart, CFE has the ambition to develop synergies in the multitechnical area and offer simultaneously the means to Druart to assure its industrial development.

CFE is a group of companies active in construction and associated services, quoted on Euronext Brussels in Brussels and of which VINCI holds 47% of the capital. CFE is one of the important players in the construction industry in Belgium and is also very present in the Netherlands, Luxemburg and in Central Europe. CFE is a shareholder in DEME (50%), one of the leading dredging contractors worldwide.
